MEMORANDUM OF UNDERSTANDING BETWEEN

U.P. RAJARSHI TANDON OPEN UNIVERSITY

&

INSTITUTION OF FIRE ENGINEERS (INDIA)

PREAMBLE: With the globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To solve their problems in various business, engineering and related domains, it is important to bridge the gap between industry and the academic institutions. Better interaction between technical and professional institutions and industry is the need of the hour. This will have great bearing on the curriculum design, exposure of students to industrial atmosphere and subsequent training and placement of young graduates and post-graduates in industries across the country.

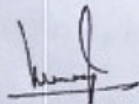

Industries and institutes have been collaborating for over a century, but the rise of a global knowledge economy and National Education Policy 2020 underlines the need for building skill-based capacity in the Indian youth through leveraging the capacity and capability of different institutions. The Institutes are imparting the basic knowledge and skill, but the need of Industry-Institute Interaction (I.I.I.) has intensified and the Industry-Institute need to collaborate through formalized strategic partnerships (MOUs) for preparing the manpower of world class by inculcating the various skills required by the industry as well as undertaking research by staff and students relevant to the industry thereby contributing to the economic and social development at large.

ABOUT UPRTOU: The U.P. Rajarshi Tandon Open University (UPRTOU), Prayagraj established under the Act No. 10/1999 of U.P. Government Legislature is the only State Government University of Open and Distance Learning (ODL) mode.

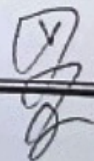

The University is committed and dedicated to increasing access to quality higher education through appropriate use of open and distance learning methods and lifelong learning opportunities through its 12 regional centers and more than 1,300 study centers across the State. Currently UPRTOU have 21 MoU's to different academic, industrial and social organizations.

ABOUT IFE (INDIA): Institution of Fire Engineers (INDIA) established in the year 1973 as a premiere and a professional body registered under the Societies Act, 1860 under the esteemed chairmanship of Dy. Home Minister, Sh. B N Datar, Ministry of Home Affairs, Govt. of India.

Institution of Fire Engineers (INDIA) encourage, assist and extend comprehensive knowledge on all matters relating to Fire Engineering. It provides wholesome platform to hold conference, seminars and open forums where persons of outstanding professional knowledge and experience in the field of fire services are invited to investigate the solutions of the current problem concerning fire engineering. Another aspect that is being covered is for the evaluation of the skill and knowledge attained by the candidate. Currently we have 12 MoU's to different academic, industrial and social organizations.

2

This Memorandum of Understanding (hereinafter called as the 'MOU') is signed on ~~21~~ ^{September} 2023 at New Delhi, India.

By and between:

The U.P. Rajarshi Tandon Open University (UPRTOU), Prayagraj, The First Party, (hereinafter referred to as the University) having the main campus in Phaphamau, Prayagraj India, hereafter referred to as "UPRTOU" which expression, unless repugnant to the text or context thereof shall include its successors, affiliates and permitted assigns, of the First Part.

AND

Institution of Fire Engineers (India), 719, 7th Floor, Jaina Tower – I, Janakpuri district Centre, New Delhi - 110058, The Second Party, (hereafter referred to as "IFE (India)") which expression, unless repugnant to the text or context thereof shall include its successors and permitted assigns of the Second Part.

And have hereby decided that both parties would adhere to the following responsibility charter listed below:

Section-1.0: MOU Signatories:

The signatories of the MOU will be UPRTOU and IFE (India)

Section-2.0: Objectives and Engagement

The scope of the Memorandum of Understanding is as under –

- a) To jointly conduct lectures/ workshops/ symposia/ conferences/ other similar events in mutually agreeable areas at the state/national/international level.
