Greetings from AICTE..

We would like to kindly bring to your attention an upcoming opportunity for faculty and students regarding Enterprise Architecture.

The Open Group in association with AICTE is organizing a **2-Day Virtual Masterclass on Enterprise Architecture on October 27th and October 28th, 2023.**

This session is specifically designed for faculty and students who are pursuing engineering and MBA, and are interested in gaining knowledge about enterprise architecture and its relevance in the digital-first world.

Session Details:

Mode: Virtual hosted on Webex

Date & Time: October 27th & 28th, 2023, 1 PM to 6 PM IST

Registration: Please register [here](#). The link to join will be sent after the completion of registration.

Note: There is no fee for this masterclass. On completion, an e-certificate of participation will be provided to participants.
