Subject: Registration of University/College Students from Uttar Pradesh for National Inter-college Crossword Expedition (NICE) 2024

Respected Sir,

The National Inter-College Crossword Expedition (NICE) 2024 is a collaborative effort by AICTE, IIM Mumbai, IIT Madras, and Extra-C, under the aegis of the Ministry of Education, Govt. of India. Launched in 2022 for the first time by the Ministry of Education, Govt of India, through AICTE and UGC to celebrate the Azadi Ka Amrit Mahotsava, the contest is poised to once again captivate the enthusiasm of our youth.

Encouraged by the response of a large number of HEIs in NICE's initial versions, and buoyed by the encouraging endorsement by Honorable Prime Minister Narendra Modi last year, the Ministry of Education, Govt of India would like to make this NEP-inspired cerebral edition even more inclusive, by registering all students of progressive HEIs across India.

About Extra-C

Extra-C is the executing partner for NICE 2024. Registration and online rounds would be organized on its official website crypticsingh.com

About NICE

NICE 24 envisages a pyramidal three-stage format. It begins with an online individual student/institution round, progresses to offline zonal finals encompassing institutional teams, and culminates in a national final. The country has been divided into five zones—North, South, West, East, and Northeast—for the initial stages of the competition.

Status of Registration of HEI Students from Uttar Pradesh

Currently, only 50 students from Uttar Pradesh have registered themselves for this New Education Policy inspired contest. We urge your valuable and prompt intervention in this matter. We kindly request you to enthusiastically support our initiative by advising all the Higher Education Institutions to ensure universal registration from their college/university/institution and encouraging students to participate in the contest.

How to Register:

All students enrolled in recognized colleges/universities across India are eligible to participate in NICE-2024. Registration is open on Extra-C's website: <https://nice.crypticsingh.com/default>. For bulk/universal registrations, institutions may write to extracindia@gmail.com.

An early settlement of universal registration for NICE 24 would be an important step towards achieving this end, with your kind help and support. You may kindly like to write to the HEIs of your state and urge them to participate whole-heartedly in NICE 24. (Some NICE posters are attached for the benefit of the institutions.)

Warm regards,

(Unsa Siddiqui)
